Dear IFAC Member Bodies,

We are writing to remind you that the [IFAC Global SMP Survey](#) is closing soon. The deadline is now December 22, 2014 (Note: the deadline has been extended by one week). Below is a reminder for you to forward or translate/forward to your members. We'd like to extend a huge thank you to members that have already helped promote the survey. Results by country will be available upon request.

Calling all SMPs! Are you a practitioner in a small- or medium-sized practice (SMP)? Make sure your voice is heard. Take the 2014 IFAC Global SMP Survey: <http://www.surveygizmo.com/s3/1800424/IFAC-GLOBAL-SMP-SURVEY-2014>. The survey should take less than 10 minutes to complete and is available in 21 languages. By participating, you'll give IFAC and your professional body invaluable insights that will help us better understand and address your needs and challenges. The survey will close on December 22, 2014. Look for the results in early 2015 on our website: www.ifac.org/SMP.

We're social! Join us on Twitter ([@IFAC SMP](#)) and LinkedIn ([IFAC SMP Community](#)) to stay in touch. See the results from previous surveys on our website: [IFAC SMP Quick Polls](#).

Sincerely,

A handwritten signature in black ink, appearing to read 'P. Thompson'.
